

Hero Dad

You are my hero, Dad
You're my secure foundation.
When I think of you, I'm filled
with love
And fond appreciation

You make me feel protected;
I'm sheltered by your care.
You're always my true friend;
When I need you, you're always
there.

You have a place of honor
Deep within my heart.
You've been my superhero, Dad,
Right from the very start.
- Joanna Fuchs

Happy Father's Day!

Family Council Week

During the week of June 6-12 we recognize our Family Council and all it does to enhance the lives of our residents. This year's theme is appropriately picked: "Family Councils: Inspiring Hope, Resiliency, and Change."

Sun Safety

With the warmer weather upon us, we wish to remind our family and friends to take the time to ensure that your loved one has a sun hat and sun glasses to wear to help protect their face and eyes from the sun's bright rays. Also, if you are storing their summer clothes off site, please deliver them to the home so that staff can update our residents' closets with appropriate seasonal clothes. Feel free to contact us to see if there is anything that your family member could use or to arrange a time for winter clothes to be taken home and stored until the fall. Also, a small desk fan for their dresser may be beneficial to help keep their room at a comfortable temperature.

Programming at Fordwich

Due to current programming restrictions as a result of COVID-19 precautions, many of our regular programs, music events, and volunteer lead programs continue to be cancelled until further notice. There are some programs listed on the calendar that may need to be cancelled as time moves on. Sadly, our Annual Car Show has been cancelled and it being rescheduled will largely depend

upon whether or not the Howick Car Club is able to host their own and be able to accommodate us as well. Upcoming fundraisers that we normally would have been either preparing for or holding such as Strawberry Social Fundraiser for Alzheimer's Society (Huron County) and Residents' Council Silent Auction Fundraiser have been cancelled. Please watch future activity calendars/newsletters for updated information. Feel free to call Barb W. at 519-335-31658 or email Barbara.w@fordwichvillage.ca for more information/clarification.

Our residents have been busy keeping in touch with family and friends by reading your letters/cards, chatting on the phone, Skyping, Facetiming, Zooming, window visits, watching pictures and video emails. If you wish to use one of these methods during this rather challenging times, please contact Barb W. at either 519-335-3168 or Barbara.w@fordwichvillage.ca to get the "techy stuff" set up between **Monday to Friday**. Phone calls can always be made 7 days a week.

Once again we strive to ensure that the health and safety of everyone are our utmost concerns and best achieved by following rules, regulations, guidelines, and teamwork. Here's hoping for things to get back to our "old normal" soon! We miss having you join us for programs.

Safe keeping!
Barb Wakeford,
Activity/Restorative Director
