

March Lamb or Lion

When March comes in gently,  
with soft skies of blue  
And warm happy breezes and  
crocus buds too  
March begins like a lamb, sweet  
gentle and kind  
But you'd better beware for you'll  
surely find  
That the end of the month will be  
stormy and cold  
Like a lion it'll roar, rough, growly  
and bold  
If March begins windy, and  
stormy and gray,  
If it's too cold outside, to happily  
play  
The lion's here first, and he's not  
so nice  
You should be indoors take my  
advice  
But wonderful weather is coming  
they say  
By the end of the month the  
lamb's here to stay.
