

Purple Martins

For those of you who contact me regarding Purple Martins, the people to contact in Ontario are Alvin and Elizabeth Albrecht.

They are an Amish couple living at 6780 Road 121 Millbank, Ontario, N0K 1L0

They have a telephone in a little shed beside the house. One may phone and leave a message. Someone will return your call. 519 595-2879 LANDLINE Do not text.

The Albrechts sell all the posts, gourds, and Purple Martin houses you will need to start your own flock. They also sell **A Purple Martin Journey**.

The best source of information regarding Purple Martins is the Book, **A Purple Martin Journey**, by Andrew M. Troyer of Troyer's Rope in Pennsylvania. Copyright August 2016, ISBN 978-0-9973239-0-0

You can contact Troyer's Rope company directly as well. 20785 Morris Rd, Conneautville, PA 16406, United States. 814 587-3879.

There is also Nature Canada in Ottawa. I hope this helps.
